

# **PREFFERD MAKE LIST** **TATA STEEL LIMITED**

Annexure-1 of COEM office order no.COEM/27/T 87/2019, 24th May 2019

## Approved vendor list for Electrical and Electronics

| S No. | Item                                   | Vendors                                                                           | Comments |
|-------|----------------------------------------|-----------------------------------------------------------------------------------|----------|
| 1     | DISC BRAKE (GENERAL APPLICATION)       | KATEEL / SVENDBORG / SIBRE-Germany / SIME-France                                  |          |
| 2     | DISC BRAKE (CRITICAL APPLICATION)      | SVENDBORG / SIBRE-Germany / SIME-France                                           |          |
| 3     | THRUSTER BRAKE (GENERAL APPLICATION)   | SVENDBORG / STROM KRAFT / KAKKU / SIBRE / SIME-France                             |          |
| 4     | D.C.E.M BRAKE (GENERAL APPLICATION)    | BCH / STROM KRAFT / ELEKTROMAG / KAKKU / ELECTROMECH / EPC / IS                   |          |
| 5     | D.C.E.M BRAKE (CRITICAL APPLICATION)   | SIBRE / SIME-France                                                               |          |
| 6     | THRUSTOR BRAKE                         | STROM KRAFT / ELECTROMAG / ELECTROMECH                                            |          |
| 7     | BRAKING RESISTANCE PANEL               | RESISTEC                                                                          |          |
| 8     | OVER BAND MAGNETIC                     | ERIEZ / ELEKTROMAG / POWER BUILD / ELEC-TROZAVOD / KAKKU                          |          |
| 9     | SEPARATOR (GENERAL APPLICATION)        | ERIEZ / ELEKTROMAG / POWER BUILD / ELEC-TROZAVOD / KAKKU                          |          |
| 10    | SUSPENDED ELECTROMAGNET                | ELEKTROMAG / KAKKU / OHIO / DEMAG / WITTONKRAMER / STEINERT / SUPERLIFT           |          |
| 11    | METAL DETECTOR                         | THERMO-RAMSEY / ELEKTROMAG / PBL / ELECTROZAVOD                                   |          |
| 12    | ELECTROMAGNETIC VIBRO FEEDER           | IC (Internal Combustion) / ELECON / TRF / ELECKTROMAG                             |          |
| 13    | ELECTROMECHANICAL VIBRO FEEDER         | IC (Internal Combustion) / ELECON / TRF / BHP (VIMEC)                             |          |
| 14    | CIRCULAR MOTION VIBRATING SCREEN       | IC (Internal Combustion) / TRF                                                    |          |
| 15    | LINEAR MOTION VIBRATING SCREEN         | IC (Internal Combustion) / TRF                                                    |          |
| 16    | FLEXI-DECK VIBRATING SCREEN            | IC (Internal Combustion) / TRF                                                    |          |
| 17    | 132 KV SF6 BREAKER                     | ABB / SIEMENS (India) / BHEL / ALSTOM                                             |          |
| 18    | 132KV DISCONNECTING SWITCH             | RAYCHEM - RPG / SIEMENS / ABB (HVELM acqired by RAYCHEM RPG and ELPRO by SIEMENS) |          |
| 19    | LIGHTENING ARRESTERS for 132KV system. | ELPRO / CGL / ALSTOM/ SIEMENS (Aurangabad)                                        |          |
| 20    | 132KV CT - Dead Tank                   | ABB (Imported) / BHEL / ALSTOM (Imported) / ALSTOM (India with European design)   |          |
| 21    | 132KV CT - LIVE TANK                   | GE (Hosur, India) / GE Germany)                                                   |          |
| 22    | 132KV CVT (PT SHOULD NOT BE USED)      | ABB / BHEL / Alstom ( India) / Siemens ( Aurangabd)                               |          |
